WINTERSAFE

Winter passenger car tires

- The WinterSafe tire utilize the latest tire technology to deliver superior traction in winter weather
- Studless design with multi zig zag pattern with sips for more biting edges on ice and snow
- The WinterSafe tire is built to handle the extreme temperatures of winter and maintain its flexibility and provide excellent traction
- Deep tread and softer tire compound gives the tire ability to move slush and snow away, and maintain better contact with the surface of the road
- Increased driving safety and optimal handling with the directional pattern, that offers increased traction, low noise and high comfort.
