Premium performance summer car tires

SUMMER

EU-APPROVED*

PCR

- New generation tread design for improved performance.
- Asymmetric tread pattern provides comfort and low noise.
- Excellent handling in both wet and dry road conditions.
- Optimized tread mix for even wear and high mileage.
- Compound designed to ensure maximum grip and short breaking distance.
- Constant performance for the total tire life span
- Designed for smaller and mid-range vehicles.

* Only sizes with fuel, grip, noise & db values are EU approved.
